As part of our commitment to provide information in a variety of ways, we are now launching our **ICIS text messaging** service !

Just text your enquiry to **01903 859929** and we will reply to you by text.

Will I get charged for this service?

You will be charged the standard network charge for sending a text message. You will not be charged for receiving a message.

When is the enquiry service open?

Monday to Friday, 10am-12:30 and 1:30-4pm, answerphone at other times.

What are the response times?

We normally respond to enquiries within two working days of receipt. We cannot guarantee when a text arrives, as this relies on the mobile phone company and network. You will know your message has been received on receipt of our reply.

Can I reply to a message?

Yes, you can respond in the same way you do a standard message.

What if I want more information?

The maximum length of a message is 160 characters so the information will be restricted to a few contacts. More detailed information can be supplied by phone, post or email.
